1983

The theme of Omega 1983 is the People of Pioneer. We chose this for our theme because we have an unique student body here at Pioneer High School. There are many kinds of people that one could get to know. As has often been said, "No two people are ever alike ..."

The Phoenix
The end and the beginning
The old must go
So the new may be.

High School
The turning of life
Youth subsides forever lost
So the adult may live.

Therefore
High School is the torch
Which ignites us all
We burn, as The Phoenix
Then rise from the fall.

Jack Lousma Returns

On March 22, 1982, the **Columbia** made its second successful flight, flown by Col. Jack Lousma and C. Gordon Fullerton. The special thing to Ann Arbor people was the fact that Jack Lousma is an Ann Arbor native, and graduated from Ann Arbor High in 1954. Sure enough, on April 16, 1982 he and his wife, also an AAHS alumna, made a visit to town and spent a couple of hours at Pioneer High School. An assembly was set for the event, and the entire student body listened to Lousma's speech in Schreiber Auditorium and watched a film of his flight. Lousma also presented a plaque of the shuttle flag and photographs to the school, and he received a standing ovation from all the students. The assembly ended in an enthusiastic mood for Lousma's brief but memorable visit to Pioneer High.

The Homecoming festivities became more enjoyable and memorable as the week came towards an end. The big day, Friday, was hectic but fun. The Purple and White day started off with classes cut to 33 minutes each. The Pep Rally at Hollway Field followed sixth hour, and what a ball! Each class sponsored numerous events, including a pie eating contest, male cheerleaders, class pyramids, songs, banners, recognition of Pioneer Senior football players, yelling, chanting, and similar rowdiness. After the pep rally came the exciting Flag Football game, where seniors showed their superiority once more by winning 14-0.

Almost immediately afterwards, the Parade started as we showed our Purple and White spirit down Main Street. By now, everyone was worn out, which may have contributed to the 17-0 loss in football to Trenton that evening, but we continued our rowdiness. The band gave a fine performance, and a blaring seashell more or less supplemented the usual instruments. Following the halftime show, Andy Raeder and Lisa Murphy were crowned Homecoming King and Queen.

When the points for the entire week's activities were added up, the Seniors walked away with the first place honors, just as predicted — a total of 486 points, overwhelming the 371 points of the Juniors and the 238 points of the Sophomores. A great victory — the first time the Class of '83 didn't place last in the annual Pioneer Homecoming Week events.

Seniors Win Again!

The Pioneer football team has always been a powerful force; the sweep, option, and long pass are nothing new, and it is certainly no surprise that the seniors are number one. The one basic difference was in the players. They looked rough and tough, played like pros, wore Pioneer uniforms, had plenty of bruises, were just as psyched as any football team, but ... the players were women. The Senior Girls Powderpuff — whoops, Flag Football team became a real sport of Pioneer this year. Players fell into a rigorous schedule and were dedicated enough to miss their usual Monday night outing. The impressive team's coaches (Keith Helber, Peter "the Lawnchair" Petropoulos, Adam Bota, and Garth Van't Hul) added to the team's intensity, subjecting it to an excruciating run to the fence every practice. Rumors circulated of a naughty offense having to appear an hour and a half early, finally overcoming the offense, and forcing the defense to appear early the following day.

Star plays included the Smurf, Smurfette, and the Beefaroni, named for Coach Keith Helber. One of the most difficult problems faced, once everyone found their positions, was what to put on the backs of their jerseys — the number 69 and nickname "S & M" were wanted by many. The game itself was highlighted by two senior touchdowns by Brett Hanks and Brette Bradbury, a very powerful defensive effort, game dedication to Linda Fehrle, and very serious — um — blocking by the Juniors. The name of the game was intimidation, and just as other Pioneers have done on Fridays, the Senior girls blew away their opponents, 14-0.

School Spirit

During Homecoming Week Pioneer was invaded by a rash of punks, Roman togas, Hawaiian tourists, and a few characters who rebelled and came as terrorists on Nerd day. The class of '83 really showed its pride on Purple and White day with their '83 jerseys, while others wore various forms of attire in purple and white.

During the week, events during snack break included a tricycle race, a tug of war, a four legged race, and a costume contest in Schreiber Auditorium, all contributing to the spirit of Homecoming Week.

Retrospect

Cyanide-laced Extra Strength Tylenol capsules caused the deaths of seven people, and a scare which triggered several other reports of tamperings.

Prince William Arthur Philip Louis, British heir, was born to Chuck and Di.

The NFL players strike held up the 1982-83 season for 8 weeks.

Alexander Haig, Secretary of Defense, turned in his resignation.

John DeLorean, of the famous sports car, was involved in a cocaine scandal.

Wayne Gretzky won the Sports Illustrated Sportsman of the Year award.

The 1982 World's Fair was held in Knoxville, Tennessee.

The Go-go's **Vacation** album hit the top five within a week after release. **Business as Usual**, from the new wave group, **Men at Work**, was probably the biggest seller of the year. Michael Jackson's latest album, Hall and Oates' **H₂O**, Don Henley's **Can't Stand Still**, and The Stray Cats' rockabilly album, **Built For Speed** were also very popular.

The Who played in Detroit on their North American farewell tour. Prince and Chicago both had concerts at Crisler, and Adam Ant played at Hill Auditorium.

New wave and reggae groups, such as Devo, Missing Persons, A Flock of Seagulls, Duran Duran, and Musical Youth became much more popular over the past year, and music video (as seen on M tv) created a new medium for musical groups.

After last year's **Preppy Handbook**, many others, such as the **Valley Girl Handbook** and **Real Men Don't Eat Quiche**, appeared in bookstores.

Several 3-D movies were made this year, and a pair of 3-D glasses for television were marketed.

Deeley-Boppers — sparkley antennae, were very popular this past year.

Frank and Moon Unit Zappa's song, **Valley Girl**, was the beginning of the teenage dress, language, and lifestyle named after the original Vals of San Fernando Valley, Cal.

The biggest money maker this year would have to be Steven Spielberg's **E. T. The Extra Terrestrial** made it big in the theatre as well as in the consumer's market. **Poltergeist**, also a Steven Spielberg creation, was a modern suspense thriller. Other great movies of the year were: **An Officer and a Gentleman**, the ultimate love story, **The Verdict**, a drama starring Paul Newman, and **Tootsie**, the popular movie with Dustin Hoffman portraying a female soap opera star. But **Gandhi**, a very popular film, swept the Oscars in 1983.

The popular sit-com **Square Pegs** portrays contemporary American High School life complete with Vals, preps, nerds, and New Wave music.

Well known actress Ingrid Bergman will be long remembered for her performance in **Casablanca**.

Leonid Brezhnev died this past year after ruling Russia for 18 years.

Princess Grace, known to Americans as Grace Kelly, was killed in an automobile accident.

The original Hudson's department store in downtown Detroit closed.

John Belushi famed in such movies as **Animal House** and **The Blues Brothers** was found dead in his home.

Starring in such movies as **On Golden Pond**, Henry Fonda will be long remembered for his acting.

The 1982-1983 school year marked the deaths of well known people, television programs, and the amendment favored by a group of women known as the ERA. A death known to locals was that of Fritz Crisler, of Ann Arbor's Crisler Arena. One of the most popular television shows, **M*A*S*H** went off the air after a very successful career, and the original McDonald's in Chicago closed. A death heard around the country was that of Karen Carpenter, a talented vocalist.

Meeting of the Victors

Sixth Hour Analysis

The Agony (and Ecstasy) of Being a Senior

For many members of the Pioneer Class of 1983, remarkable changes have taken place. There are many agonizing things about being "at the top," as we consider it, but there may be some disadvantages as well.

Being a senior is very expensive. A few of the liabilities include a senior picture, a class ring, graduation announcements, supplies for parties, season tickets to athletic events, yearbooks, plane tickets for a Fort Lauderdale round-trip at spring break, overdue library books and lost textbooks (both characteristic senior difficulties), fines to Mr. Pratt for erasing his tapes of Italian music and unknowingly putting in the latest of REO Speedwagon instead, ski trips, college application fees and deposits, Senior Prom, And countless other essentials.

Course work seems an unnecessary burden for the senior. Quadratic equations are forgotten, tests failed — despite staying up half the night studying, and the wrong notes appear in band and choir. This eventually results in the senior skipping the class, and winding up with a greatly abbreviated schedule. Other senior-type problems

are the accumulation of cans in the bedroom and locker; being caught by Mr. Karr driving too fast over the speed bumps; getting to know the counselor and Rita on a first-name basis after all the late college applications; and trying to determine how many more of Miss Giles' Humanities slides of Enthroned Madonnas he must memorize before June comes around.

As painful as it may seem, the senior year is not one to forget, however, for there are the joys, memories, and great times as well. Spring break is a time to remember for many, as is the rowdiness of senior year. Remember how desperate we were to get a locker in the science hall — particularly outside the classroom of everyone's favorite, Mrs. Brock? Football games and Homecoming Week gave seniors the opportunity to show their power and status. Remember how "senioritis" struck us all toward the end of April? And then in a rush came Senior Skip Day, the last day of classes, the Prom, the Banquet, and Graduation — all events that confirmed the changes that occur within a senior — the agony and the ecstasy.

The Class of 1983

Graduation is a time for looking back on high school, as well as looking ahead to the future.

Remember the first day at Pioneer? Remember not living up to dire predictions of getting lost, but missing the bus because you couldn't find the bus depot? Then the long sophomore year - waiting for the day you could get your drivers' license, trying to act like a senior, trying to figure out how you could enter the school on the first and second floors, wandering around with your mouth open - which one's the West Cafeteria? Detention? What's that? I was *not* late 6 times!!!

By junior year, self confidence was growing - you knew the ropes and could look down on the new crop of sophomores - they were *so* immature! Class spirit came into existence as we suffered through term papers, PSAT's, history, and chemistry.

Senior year finally came around - time to blow off and relax. Our class was in charge, holding the most important positions in school - team captains, presidents, editors, etc. All you had to worry about were job interviews, college applications, having enough credits to graduate, Humanities tests . . .

But the weekend was always a welcome break - we'll all remember parties, football games, hockey games, and all the good times we've had. Homecoming, Spring Break, the Prom, and Commencement will always exist in special memories, as will the friends we have had, the friends we will keep, and everyone who was part of this year's senior class - the one and only CLASS OF '83

International Club

One of the friendliest clubs at Pioneer High School is the International Club. It is a group of students from all over the world who are interested in sharing their cultures with others and learning about other countries. As an American, being in the club is something very special because sharing some of your time with a foreign student gives you the satisfaction of really helping another person. To foreign students who find themselves lost in a different culture, the International Club gives them a sense of belonging. Some of the activities that were planned to help the students to adjust to the new language and culture were: going to the movies, shopping at Briarwood, parties, picnics at the Arb, and picking apples at Wiard's Orchards. For anyone wanting to belong to a group where you are needed and know that you have good friends who care about you, come to the International Club.

Announcement Staff

I think that the job of the announcements staff is kind of obvious - we do the announcements. This simple statement is kind of misleading, however, because it's a lot more than it seems. It's a lot of fun, and most days go pretty smoothly, but others ... well ... let's just say not so smoothly. I'm thinking of a few times in particular when the announcements were illegible and half the stuff was a product of the reader's imagination; times when there were no readers, and less frequently (but more disastrous) no engineers; and times when words were added, omitted or mispronounced (not to mention the number of names which were done an injustice.) Does this sound Chaotic? Probably, but it's not. 99% of the time it's really pretty organized (thanks to the competence of our engineers), and it really is a lot of fun. If you think you're interested in engineering or broadcasting (or just want some help in conquering that well-known fear of public speaking), the place to be is on the Pioneer announcements staff.

Video Guild

The field of TV and Video production has its connection at Pioneer. That connection is PVA (Pioneer Video Association). PVA is an organization of Pioneer students who share an interest in the video field. PVA is an older organization at Pioneer, but has been dormant for a while. It has started again this year and meets almost every Monday in the Media Center. PVA does anything from videotaping Pioneer sports to taping lectures and speeches for the teaching staff. PVA's productions can be seen in the classroom or on cable's public access television.

Among this year's projects are multi-camera productions of Pioneer indoor sports, and single-camera on the spot taping of outdoor or out of Pioneer sports such as hockey and swimming. PVA also tapes school events like Homecoming and pep rallies. Poetry reading, plays, musicals, concerts and other student activities are also taped for showings on cable and showings in the classroom.

Row 5: Elisa McCabe, Mr. Miller (sponsor), Paul Clipson, Sam Robinson, Matt Roy. Missing: David Lettvin, Mike Flynn.

For many years Theatre Guild has been dedicated to performing a variety of plays in a variety of styles. We're fortunate enough to have had the guidance of Mervil Miller, both as a teacher and director, and as a friend. Theatre Guild used to be the largest organization at Pioneer, and hopefully will be again soon. Through the

continued support of the students and administration, the Guild can continue to produce quality plays that are enriching to a student's overall high school life. Come join the Guild next year! You'll meet a lot of great people and have loads of fun!

The **Optimist** staff has had a very busy time this year. In recent years, our faculty advisor, Mrs. Blouin, has done most of the work involved with the school newspaper. This year, however, our editors, Jennifer Andrews and Charlie Chesbrough, have taken over a major part of the responsibilities. We hope that the **Optimist** will continue to be a student-run newspaper and will grow to be prosperous. The newspaper, which comes out once a month, encourages all underclassmen to join the staff and have the experience of journalism. Contributions of stories, articles, letters, photographs, and such literary information made up the content of the **Optimist** this past year. Thank you for all your contributions and support.

The production of the yearbook is the main job of the **Omega** staff. Each year, goals are set up in order to commit to a style and to successfully complete the yearbook. The Staff, which is composed of approximately 30 people, work hard through the year in such jobs as taking pictures, determining page content, typing names and other copy, developing and enlarging pictures, setting deadlines, and the final layout of copy and photographs of each two-page spread. The product of our work this year, the 240-page hardcover yearbook, has evolved in almost a century from a small, 50-page paperback edition with little to no photographs. The yearbook is seen as a book of memories for the alumni-to-be of Pioneer High School, which they will save and treasure as a valuable thing for many years.

Overtones

Every year in the spring Pioneer puts out an issue of its literary magazine, **Overtones**. This classy magazine is made up entirely of original writings and art work by Pioneer students and faculty. All works submitted are reviewed and voted upon by the **Overtones** staff. This year over 1000 entries were submitted. The **Overtones** staff also holds an annual writing contest for Pioneer students. Four prizes are awarded, two for poetry and two for prose. First prize is a \$20 gift certificate to Border's Book Shop and second prize, a \$10 gift certificate. **Overtones** and its writing contest provide a healthy outlet for the overflowing creative energies of the people at Pioneer.

Grievance Committee

Row 1: Melissa Frazier, Ghazala Sharieff, Alicia Minus, Dr. Holloway. Row 2: Matt Guyer, Mr. Doug Dawson, Ms. Sandra Harris, David Olson.

The Grievance Committee is an independent advisory committee called for in the school constitution. It is made up of two student representatives from each class, three non-teaching staff members and three faculty members. The Committee's responsibility is to hear student policy grievances and recommend the subsequent decision to

the principal. Historically, the Committee and the Principal have agreed on principle and course of action in a great percentage of the cases. There have been numerous grievances concerning the attendance policy and its implementation, the "closed campus" rule, and varying teacher pass/fail practices.

PTSO

The Parent-Teacher-Student Organization includes three student members whose main function is to act as liason between the students and the parents/-teachers, informing them about student activities and presenting the students' viewpoint on issues of mutual concern, such as campus policy. The meetings are held on the first Monday of each month.

SASB

The Pioneer Student Advocate School Board, or S. A. S. B., of the 1982-83 school year has worked especially hard. This dedicated group of students, elected by their peers to present student opinions to school authorities, has put together an impressive student survey on graduation requirements and has also educated the public about the Nestlé boycott. The S. A. S. B., supervised by Human Relations Specialist, Maureen Michael, speaks out for students at School Board meetings and holds its own meetings once a week. Although its members are known to engage in lengthy philosophical discussions, the S. A. S. B. keeps working with commitment to make life more liveable at Pioneer.

Student Council

Once again, the Student Council was a very active organization. The Executive Board this year consisted of President Linda Kuiper, Vice President Gina Champion, Treasurer Ghazala Sharieff, Recording Secretary Molly Morris, and Corresponding Secretary Kim Barefoot. Beginning with registration, the Council sponsored many activities, including Homecoming, Recognition Assemblies, Carnation and Secret Santa sales, a Bonfire before the Huron vs. Pioneer football game, Teacher Appreciation Week, Elections, Winter Pep Week, Charity Week, a Live Band dance, Intramural Softball, and much, much more. Approximately 50 people attended the Tuesday meetings and most of the work was done in Wednesday committee meetings during snack break. Working together, the Council was able to accomplish its goals of increased communication, and the execution of new and old ideas.

S. C. E. B.

This year's Senior Class Executive Board consisted of Garth Van't Hul, President, Jeff Bradley, Vice-President, Kathy Lyons, Treasurer, and Lisa Murphy, Secretary. The Executive Board was responsible for the Class Fund and Class Fundraisers. This year the first ever "Pride of Pioneer" '83 Jerseys were sold to almost every senior, and both our Fancy Nut Sale and Valentine Carnation Sale were very successful. Class meetings were organized and held as necessary by the Executive Board. The Executive Board worked, often in conjunction with the Senior Class Advisory Board, organizing Cap and Gown Fittings, The Senior-sponsored Sadie Hawkins Valentine's Dance, The Senior Talent Show, The Senior Banquet, The Senior Prom, and, of course, Graduation. This year has been very rewarding for us, and we look forward to contacting the Class of 1983 for our first Class Reunion.

The Ides of March, Caesar, and the Trojan wars all conjure up the excitement of the Latin Club. This exclusive institution is headed by the Triumvirate consisting of Morris Vivit Holdaway, Livia Frazier, and Imperius Rex Sherick. The Latin Club sponsors several activities during the year. The most famous of these is the great Latin play, which received rave reviews

from the critics last year and will return to the stage this year. The Latin Club is also responsible for that wonderful square pizza you all enjoy once a year at the ethnic fair, and will continue to follow its fearless leader, Medea Houston, through the perils of this year and all years to come.

French Club

The Pioneer French Club has had another fun and productive year. Our goal is to provide the French student with a taste of French culture that he/she may not experience in a classroom. Under the able leadership of our co-President, Kris Pannesi and Chris Sur, along with our sponsor, Madame Jordan, we raised over \$400 to spend on trips to various restaurants, such as the Magic Pan and Escoffier. Last fall, we had a tailgate picnic before a football game that was a lot of fun with good food! We sponsored a booth selling crepes and chocolate mousse at the Ethnic Fair. This spring we plan our annual trip to Escoffier, as well as an excursion to Ian's Patisserie. We have had a great deal of fun and hope that the Pioneer French Club will remain active.

Row 4: Berndt Schmit, David Lawton, Dan Chun, Paul Anderson (president), Frau Oskar, faculty advisor.

The German Club actively participates in an exchange program with Germany, and some German Club students will be taking part in this exchange for five weeks this summer. The Ann Arbor Public Schools support the program when German students come to Ann Arbor, but because of liability, they cannot take part when our students travel to Germany. At different times throughout the year, German Club students sell Gummi-bears. Some of the profits help to offset the cost of the activities we plan when the students from Germany come over in the spring. But as this is an off year and we will not be hosting Germans, our profits will be saved for next year's activities. For the spring multi-ethnic fair, the German Club will once again make pretzels. Also planned is a German dinner at the Old German Restaurant, which will take place in the springtime. AUF WIEDER-SEHEN!

Row 4: Keith Morris, Eric Bouldin, Nicholas Ehrlich, Mike Flynn, Matt Roy, Hal Vaughn, Robert Reynolds.

The Spanish Club, with over thirty active members, has experienced one of its busiest years. Added to its long list of accomplishments has been a trip to the El Greco Exhibit, the issuing of a club T-shirt, and a dinner honoring the winning soccer team (Homecoming) at La Piñata. Second semester activities included a trip to

Mexico by several club members for a tour of the route of independence, ending in Puerto Vallarta. Springs fundraisers included bake and candy sales. The members were pleased with the new vitality of this dynamic organization.

The Pioneer Math Club met Thursdays during Lunch Break to participate in the American Scholastic Mathematical Association Contests, to discuss Michigan Mathematics Prize Competition Tests, and to prepare for the American High School Mathematics Examination. Other activities

were wearing neckties, playing chess, and computer games. Sponsor was Mrs. Kiesling. Co-Presidents were Komal Narula, Jim Kingdon, and Paky Patel.

Ski Club Officers

Left to right: Mr. Baublitz, sponsor, John Gowans, Tim Newman, Sean Judge, Shinji Takanhashi.

The Ski Club is a very active organization with over 150 members. The club, which is run under the leadership of four officers, sponsors a number of ski trips during the school year for the participation of the students of Pioneer High. Normally, three weekend trips are held; two of them at Blue Mountain in Canada, and one at Boyne Mountain. However, due to the mild winter that Michigan has experienced this year, most of the trips were not held. But the best trip of the year, the annual trip at Snowbird in Utah during Spring Break, was a favorite for about 35 students. New people are welcome to join the ski trips as the Ski Club continues to promote downhill skiing among high school students in Michigan.

Row 3: Sheila Jacobs, Julie Christensen, Secret Agent X, Jenni Thompson, Signe Periera. Row 4: Secret Agent XX, Secret Agent XXX, Lori Laughlin, Anne Sartori, Amy Wenk.

Secret Admirers did not meet regularly, as once was enough to sign up for the guy to be admired, and get his locker number and combination. Sponsored by Student Council, the football, basketball, and hockey teams were covered by leaders Molly Morris, Debbie Khumayyis, and Linda Kuiper. Approximately 140 athletes were admired

regularly, and teams and team members who did exceptionally well received corsages, purple and white, of course. Pioneer teams did very well this year, and the Secret Admirers had something to do with the school spirit that was generated.

Not Pictured: Marilyn Line, Brian Miller, Ima Failin, Ima Droppin, Ima Droppin too, Billy Mumford.

Humanities Anonymous is a major Pioneer Club similar to Alcoholics Anonymous in that members meet regularly to discuss their disease, its causes and its effects. This sickness is potentially a killer in that its symptoms are only lethal when combined and are everyday occurrences: the dreaded droopy-eyelid, scruffy general appearance and drops of midnight oil still burning from long hours preparing for easy evaluations commonly called exams; dopey, dazed looks from long hours staring at books, and recurrent blackouts during exams accompanied by dreams of Crusaders bashing heads. New members are welcome to join, but the club may be disbanding soon due to the new cure designed by Mr. Bill Mumford, Senioritis.

Class of '84

We have been warned by many graduates that the Junior year of high school is the hardest. Little did we know how much truth lay in that statement.

As Juniors we've lived through term papers, standardized tests, college boards, endless hours of homework, and yet another year of finals. This year we not only have academic pressures, but also peer pressures. We aren't the youngest in school anymore, but we aren't the oldest either. We are expected to set a good example for the Class of '85 and we have to put up with the Class of '83. But next year we have a lot to look forward to: the Senior trip, Prom, Graduation, and those of us that are college bound, letters of acceptance.

Look towards the future, the best is yet to come!

The third weekend of February climaxed over three months of preparation for Pioneer's 1983 Broadway musical. The Music Department presented "The Music Man" to packed, excited audiences on February 16, 17, 18, 19, and 20. Over 100 Pioneer students participated in the show, including members of the A Cappella Choir and Symphony Orchestra. All aspects of musical, dramatic, and production work were performed by students, assisted by adult supervisors, including several members of Pioneer's staff. A number of people from outside Pioneer also helped us. Four elementary school students appeared in the cast and considerable technical assistance came from adults in the community, including several involved in the Ann Arbor Civic Theater.

TRACK

Women's Track

Before the women's 1982 track season had begun, Pioneer's opponents were hoping this would be a down year. After all, in 3 consecutive years, Pioneer had won 3 S.C.C. titles, 3 regional titles, placed in the top 10 in state meet three years, and produced 8 all-state athletes and 4 all-American. The Pioneers had also rewritten the record books in those 3 years since Mr. Westfield has coached so that 19 new school records had been set.

The 1982 team was very young and inexperienced; however, the team again won the S.C.C. and again won the regional championships. The team, which had won 19 straight dual meets, lost 2 meets during the season. If the current group of women continues to discipline themselves and improve, the future will continue to be bright for women's track and field.

Pioneer speedsters survived another year under coach Don Sleeman. Hard work, strong individual efforts, and unique memories. Regional champ Maurcie Washington was named outstanding performer, and Matt Schaefer, Jeff Houston, and Darin Olson were chosen to replace Derek Lee as captains. Sophomores and Juniors showed strong potential and the team looks forward to strong performances next year from standouts Vince Butler, Eric Arnold, Charlie Agnew, Doug Cunningham, Darin Olson, Matt Schaefer, Jeff Houston, Andy Mastie, and Andy Connolly.

The 1982 Pioneer Baseball team, despite a fast start, did not have a highly successful season. However, through the coaching of Pete Palmer and the leadership of many strong seniors, the Pioneers put in many fine performances. The Pioneers were led by Captain Jeff Birmingham, who also turned in many fine pitching performances. Other fine seniors were Sten Jensen, Jeff Heald, Steve Wild, Rick Schaefer, Ray Howland, Greg Skye, Al Smith and Scott Livesay. The Pioneers' finest pitcher throughout the year was fireballer Steve Wild, and Sten Jensen was voted most valuable for his hitting and fielding.

Softball

Led by the talents of Debbie Copp and Jenny Townsley, the Pioneer varsity softball team experienced their most successful season under coach Gracie Harbison. The team really showed their true colors at the Ann Arbor News Tournament by moving out of the position of not even being seeded in the tournament to becoming a so-called "Cinderella Team" by taking second (defeating Huron in the process); by Debbie Copp proving herself a superb pitcher by pitching a no-hitter, as well as a one-hitter, and the team proving themselves as excellent individual athletes who become a tremendous team when put together.

With the help of juniors Charles Tien (2nd singles), Charlie Chesbrough (2nd doubles), Eric Ziegler and Jeff Harding (3rd doubles), the Pioneers finished second in their regional and conference with a dual meet record of 9-2.

Women's Golf competed its second season last year with an overall record of 8-2 and a league record of 4-2. These records are exceptional for the team's two year existence. Jan Othen, Terese Hurin, and Debbie Goodkin led the team last year as we placed second in the league.

This year the team hopes for a successful season with co-captains Lisa Smith and Connie Vass leading the way. Peggy Kennedy, Sherri Weldon, Kim Schulz, and Jenny Arcure are expected to do well in this third and hopefully the best season in Women's golf so far. Go Golfers!

This year's seniors will be graduating with a combined JV and Varsity record of 22-4 including three conference championships. For the season Pioneer outscored its opponents 185 to 84. Women's Basketball

The women's basketball team, coached by Charles Jennings, finished their 1982 season with a very impressive 19-3 record. The team began practice in August with confidence that they had the potential to be one of the finest teams in the state. They proved this when they upset 8th ranked Jackson 53-49. After winning the district competition, Pioneer's season ended when they lost against Lansing Everett 50-56 at regionals. Overall the team was pleased with their performance this season, and are looking forward to another successful season next year. The Junior Varsity squad, coached by Betty Raab, also completed a successful season with a record of 12-6.

Pioneer's soccer team showed promise to be the state champs after beginning 7-1-1 and looked unstoppable. We'll have to wait until next year for a State Championship as this year's team, hampered by injuries, coasted to a very respectable finish in the third round of the playoffs, only three games from the finals. There were many fine individual performances during the season. Stellar games in goal were played by both Dave Foulke (Sr.) and John Poulos (Jr.).

The defense was anchored by Pat Knight (Jr.), Dan Russo (Sr.), and Pete Lawless (Jr.), Darin Olson, Vaughn Cope, Guch Sellinger (Srs.) and Greg Jones (Soph.) made up the strongest midfield around and led the likes of Nicolai Prytz, Jeff Houston (Srs.), Bruce Browning (Jr.), and Darik Olson (Soph.).

There were two individuals who qualified for the state meet, Carrie Cain and Kari Olson. The team was ranked seventeenth in the state overall. The team, co-captained by Brenda Behler and Shirley Chou, continued on to both Regional and State competitions. Outstanding performances were made by All-American juniors Ellen Stark and Colleen Furlong. Other fine contributions were made by seniors Beth Marvin, Tracy Preuss, and Carol Wedemeyer, juniors Lori Brooks and Amber Sax, and sophomores Kathy Duderstadt, Jody Lewis, Fleur Patterson, Beanie LoBuglio, Anya Siglin, Kathy Rogers, Naomi Chesler, and Signe Pereira. With the great depth of this year's team, next year's squad should have another successful season.

Men's Gymnastics

Left to Right: Mike Flynn, Terje Hougen, Paul Eibler, John Brophy, Andy Copp, Jeff Clark, Greg Wood, Chuck Franklin, Andy Furda, Scott Hines. Missing: Nick McLeroy.

The Pioneer men's gymnastics team started the season with a young, inexperienced, but well-rounded team consisting of mainly sophomores who led the team to many victorious endings. Under the leadership of seniors Jean Compeau and Mike Flynn, the squad finished strongly this year with an 11-2 record. Supported by the strong all-around abilities of Andy Furda, the Pioneers finished in second place at the state competition with top qualifiers Andy Furda, first on high bar and parallel bars, second on floor, and Jean Compeau third on rings and parallel bars. The gymnasts finished first and fourth in all-around respectively.

Ice Hockey

Pioneer's perennial contenders suffered from graduation losses, flu, and a number of tough breaks in '82-'83. A very balanced league with Cranbrook dominating found Pioneer in every game — but often edged to a shortage of scoring. Goalie Jeff Houston provided outstanding goal tending which held opposition to about three goals per game. Keith Helber and Dave Mancari were often the scoring threats. Tim Newman and Sean Judge anchored the defense. Heavily underclass Pioneer gives notice of a fine future nucleus.

- Art Armstrong

Synchronized Swimming

Row 1: Captain Beth Reed, Captain Kathy Lyons, Coach Rhonda Reed, Kris Graf, Susan Collicott. Row 2: Shelley Barnett, Robin Russell, Kristy Ward, Michelle Johnson, Joan Cassell, Julie DeLancey, Kathy Harper, Sue Bender

The Pioneer synchronized swimming team started their season under the direction of first year coach Rhonda Oliver and led by co-captains Kathy Lyons and Beth Reed. The team got off to a good start due to the strength of returning seniors Susan Collicott and Kris Graf and returning juniors Robin Russell and Kristy Ward. For the first time in Pioneer synchronized history, Pioneer had five swimmers, Susan, Kris, Kathy, Beth and Kristy in senior draw division (the most difficult level of figure competition) at the end of the season. A great deal of the success of this team can be attributed to the newcomers this year, seniors Sue Bender, John Cassell, Julie DeLancey, and Michelle Johnson, junior Kathy Harper, and sophomore Shelly Barnett. The synchronized team also swims in routine competition in the second half of their season. Solo, duet, trio and team routines are choreographed by the swimmers and are performed to music. Each routine lasts from from two to four minutes and is judged on content, or how difficult the routine, and execution, or how well the routine was performed. Many of the team members join the aquaneers' synchronized swimming team in the spring, and the annual aquaneer's water show is an entertaining way to enjoy synchronized swimming.

The Class of 1985

"They're here " said the girls in *Poltergeist*. Little did she know that she was talking about the class of 1985!

Homecoming was pretty humorous: no class song, and getting *smeared* at Powderpuff Football. We won the Hall Decorating Contest — but the grass was really too much!! (gas mask, please).

Pioneer is great. There are so many different people — punks, vals, preps, and *others*. Last year, at junior high, everyone liked the same things: same music, same clothes, and the same people. Now, in high school, it's really easy to make friends and find people with similar interests.

We can be proud of our "sophomorphism." As sophomores, we have to tolerate the juniors and seniors, and Lord knows they're lucky we do (ha ha)! Remember George Orwell's novel about disaster in 1984? In two years, we will be the ones to clean up after the class of 1984.

Back in September, the task of producing a yearbook seemed simple, but on looking back, it is beyond comprehension that such an amateur staff ever managed to complete the job of producing a yearbook in so little time. The yearbook was off to a smooth and organized start at the beginning of the year, when it was realized that the staff had little to no past experience in the complicated layout process. As deadlines were rapidly approaching, we learned the hard way all about the difficult work of completing the **Omega**. As well as getting started, a style had to be determined, a staff had to be gathered, and a theme had to be selected. From September until March, daily strenuous hours were spent in the Omega office and in homes on weekends on such projects as developing and printing photographs, writing up, editing, and typing up copy, and the hardest (but best) job of all, designing the final layout form. This required a good deal of patience and time, for photographs had to be cropped and blown up if necessary, arranged on the pages, and a certain amount of space had to be saved for copy.

Thus, the 240 pages edition of the **Omega** you now hold in your hands is the product of many people's efforts and contributions. For all of us, the **Omega** staff, it was a tremendous learning experience. Without all of your help and support, we could not have pulled off such a job.

Thanks to Karen and Brett for their tremendous last-minute help, to Mark for his humorous support when things were off course, to Jennifer for developing those photos, to Michelle for the new look in the Sports section, to Kara for Seniors, and of course, Mrs. Frazier for her big help and advice.

This is the end of the long and rewarding journey and the task is finally over. Good Luck to all.

Specifications

Omega 1983 was produced by the yearbook staff of Pioneer High School, Ann Arbor, Michigan. This edition contains 240 pages, dull enamel paper type, and headings are set in Helvetica Outline, body copy in Helvetica.

Special thanks to Talbot, Palmer and Sturgis Studios for processing pictures for Organizations, Sports and Music, respectively, and to the **Ann Arbor News** for supplying good photographs. Thanks also to those who donated pictures and copy to **Omega**.

Good Bye

The school year has finally come to an end, and for some students, it is the last week of high school. The people of Pioneer who make up the school system represent the future because, whatever we undertake, the education that we gained here was a contributing factor. Whether it means being a gas station attendant, a doctor, flight attendant, banker, social worker, teacher, lawyer, factory worker, business executive, or even the President of the United States, the spirit of Pioneer will always remain with the individual. The people of Pioneer ...
